INDEX.

A

A few Photographic Points about the Yosemite, ... 215
Accessories, Legitimacy in judging the art value of pictures . . 96
Accessories, an essential element in judging of artistic effect . 3
Appropriateness of the Mount . 3
Arbitrary Classification 3
Albumenized Paper Silver Printing, 4
Amateur Photographers of New York 16, 23
Amateur enlarging 50
Annual Exhibition of Lantern Slides by the Phila. Society, 17
Annual Report of the President of N. Y. Amateur Society . . 87
About Values 21
Abstract of the Proceedings of the N. Y. Amateur Photographic Society 23
Apparatus for Coating Plates . . 34
Artificial Lighting in Photography, 44
Art in America 48
Architectural Photography . . . 55
Alkaline Developer for Gelatine Plates 58
Adcock W., studies 60
A Bengalese Bungalow 64
A new Platinum Process 81
A Journey through Arabia Petra with Camera 94, 118, 137
Award of Medals at Chicago Convention 146

B

Book Notices 15, 70
Beach F. C., Development of Lantern Slides with Pyro . . . 20
Bell William, Apparatus for Coating Plates 34
Bromide Paper, its practical application and successful working 37
Bromide Prints, Toning with Platinum 63
Bromide Paper, Variety of Tones in 80
Bromo-Albuminate of Silver for Rapid Printing 134
Bartlett John, Picture Making . . 38
" " Expression in Portraits 56
Bartlett John, Photographing by Gas Light 74
Bartlett, John, Dress in Photography 127
Bartlett John, Intensifying Gelatine Negatives 147
Bartlett John, Composition in Landscape 187
Backgrounds, Distemper 79
Bruns, Lieut O. L., Proper Exposure 115
Bengalese Bungalow 64
Bolton W. B., Intensification . . 133

C

Colors, effect upon one another . 3
Classification, Arbitrary 3
Concerning the new Eosin Silver Plate 32
Couture on Expression in Portraits 34
Couture on Concentration . . . 70
Cassebaum J. C., New Intensifier, 59, 89, 166
Concentration 70
Composition and Selection of Subject 76
Composition in Landscape . . . 187
Composite Photography, ... 211
Chemicals, Photographic, Origin and Technology of 84, 92, 111, 131 154, 171, 192
Chicago Convention P. A. of A. 123, 140, 145
Croughten G., Gelatino-Bromide Paper for Finished Work . 150, 170
Crayon Finishing 150

D

Distortion mainly by Lenses . . 10
Development with Hypo-Sulphite in Emulsion Photography . 13
Development, ... 206
Development of Lantern Slides with Pyro 20
Development, Theory of 8
Developer Formulæ 51
Developing with Hydroxylamine, 173
Development with Hydrochinone, 174, 176
Development Vagaries 189
Distortion in Large Heads . . . 69
Distemper Backgrounds 79
Dress in Photography 127
Dunmore Edward, Exposure . . 156
" " on Over-Exposed Negatives, ... 197
Don't Ask Questions 165
Density, Reduction of 182

E

Effect of Colors upon one another in Juxtaposition 3
Exhibition of Lantern Slides by the Photographic Society of Phila. 7
Electric Focus Lamp, Marcy's . 30
Eosin Silver Plates 32
Expression in Portraits 34, 56
Enlarging for Amateurs 50
Eder, Dr., on Distortion in Large Heads 69
Exposure, Proper Time of . . . 115
Exposure 156
Emulsions, Testing for Acidity and Alkalinity 135
Elliott, Arthur H., Search for substitute for Hypo 159, 171
Eastman's Dry Plate Works . . 201

F

Formulas for Developer 51
Fading of Prints, a Cause of . . 69
Finishing of Prints 152
Finishing Bromide Paper in Water Colors 170
Finishing Bromide Paper in Oil Colors 171

G

Genre Picture, What is a 4
Gas Light Photography 74
Gelatine Plates, Intensify . . . 91
Gallic Acid and Silver Intensifier, 91, 166
Glasgow Photographic Convention 142
Gelatino-Bromide Paper as a Basis for Finished Work 150, 170
Good Word for the Photograph . 195

H

Hypo-Sulphite of Soda in Development 13
Hypo, Search for Substitute . . 159, 171
Hypo-Sulphite of Soda as Preliminary Bath 48
Hints on Composition and selection of Subject 76
Hints on Posing 141
Heresies, Some Photographic . . 98
Hydrochinone as Intensifier . . 166
" " Developer for Dry Plates 173

Hydrochinone in connection with Pyro 176
Hydroxylamine as a Developer . 174

I–J

Intensifying Collodion Negatives 33
Intensifier, New 50, 89
Intensifying Gelatine Plates . . 91
" Intensifier for Wet Collodion 33
Intensification 133
Intensification of Gelatine Negatives with per-Chloride of Iron, Gallic Acid and Silver, 147
Intensifying with Hydrochinone, 166
Instantaneous Photography with Magnesium 169
Interiors, Photographing 73
Improved Instantaneous Flash Light, ... 205
Ives' Magic Lantern, ... 124
Judges, Probity of 2
Juxtaposition of Colors 3
Joint Exhibition by the Three Societies 30
Janeway Dr. John H., on Formulæ for Developers 51
Joint Exhibition of Combined Work of the Three Societies, 61

K

Killed by Overdose 168

L

Lenses, distortion by 10
Lens Not Always to Blame . . . 196
Lantern Slides, Development of with Pyro 20
Lantern Slides, Treatment of . . 63
Lighting, Artificial, in Photography 44
Latent Image, Permanency of . 70
Legitimacy of Accessories in judging the Art value of Photographs 96
Lea Carey, Red and Purple Salts of Silver . . . . . 104, 113, 135.
Landscape Composition 187

M

Mount, Appropriateness of . . . 3
Mounts for Prints 130
Minutes of the Photographic Society of Phila. 7, 22, 40, 65, 97, 177
Meeting of the Executive Committee of the Photographers' Association of America . . 26
Marcy's Electric Focus Lamp . . 30
Modification of Alkaline Developer for Gelatine Plates 58
Management of Light 69
Magnesium in Instantaneous Photography 169, 224

N

Negative, treatment of, before Printing 20
Negatives, Hypo as a Preliminary Bath for 48
New Intensifier for Dry Plates, . 59, 89
Negatives from Negatives . . . 177
Negatives, Dense, to Reduce . . 182
Night Photography 198

O

Our Illustration . 14, 29, 53, 64, 86, 107, 112, 141, 156
Orthochromatic Photography . . 31
Origin and Technology of Photographic Chemicals 84, 92, 111, 131, 154, 174, 192, 213
On the Red-Purple Salts of Silver 104, 113, 135
On the Proper Time for Exposure 115
Oil Colors on Bromide Paper . . 171
Obernetter's Transformation Process 177
On Composition in Landscape . 187
Open Air Portraits 194
On Improving Over-Exposed Negatives 197
On Development, ... 206

P

Poetry in Landscape 1
Probity of Judges 2
Printing Silver Albumen 4
Photographic Society of Phila., Minutes of . . 7, 22, 40, 65, 97, 177
